About AISECT

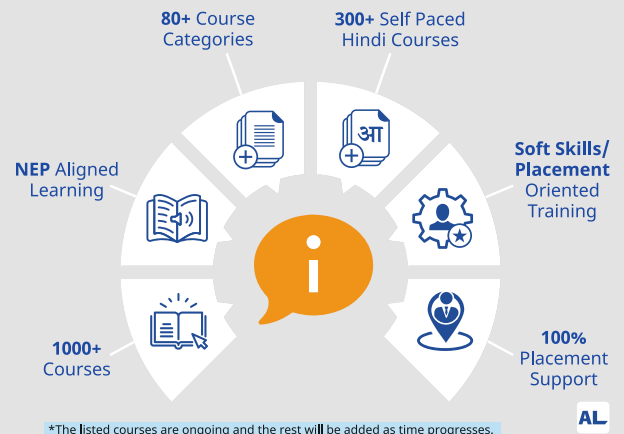

AISECT is India's leading Social Enterprise that is working in the areas of Skill Development, Higher Education, Financial Inclusion, e-Governance and other ICT-based services to bring about an inclusive change in the semi-urban and rural areas of the country. Established in 1985, the Bhopal-headquartered organization has been untiringly reaching out to the remotest corners of the country since the past 38 years to empower people, generate employment for the youth and unfold entrepreneurial initiatives. The AISECT Model is a multi-purpose, self-sustainable, scalable and entrepreneurial model that addresses the demand of local communities for various skills and ICT-based services required in the unorganized sector. The organization has a strong presence in 610 Districts, 2500 Blocks and 8750 Panchayats across 28 States and 5 Union Territories through Over 37,000 Centres, 20 State Offices and 33 Regional Offices. Till date, it has imparted skill-based training to over 28 lakh people, created employment opportunities within the network for more than 1,00,000 people and empowered the lives of over 50 lakh people through various innovative products and services. AISECT has partnered with the National Skill Development Corporation to offer skill-based training to 15.5 lakh youth by 2029.

About AISECT Learn

AISECT Learn is a future ready eLearning platform designed for up-skilling and knowledge-building.

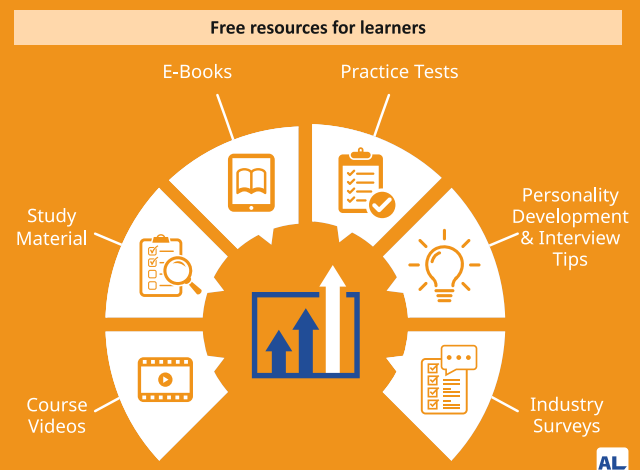

It enable learners to master in-demand, industry ready skills, delivered in multiple languages, in a wide array of disciplines from recognised world class universities.
